Respectable Sir,

Greetings.

Your access for Grammarly Software is active now.

Please find the access activation details for Grammarly User Self-Service.

The below portion can be circulated to all users/students/faculty members
or pasted on a secure area on your institution's intranet. They can create
their own user ID and Passwords.
_____
Registration Process :-

To Set up access for the users, please follow the below steps:

Step 1: go to *www.grammarly.com/edu/students*
<http://www.grammarly.com/edu/students> (mandatory to sign up from this
URL)

Step 2: Click on create Account button, fill up the self-service form.
Ensure that users are registering from their   respective email ids.

Step 3: Please put this script in the Access Code box - GwFvgYMQOuKHsySI

Once registered, users will land on the 'Grammarly Editor' which is easy to
use and can be explored by the user.

The MS Word Pluggin can be downloaded from the support page after
registration, the same user ID and Password credentials will grant access
to use the Plugin to users. Kindly note that the plugin does not work on
MAC/IOS devices.

Kindly acknowledge on receipt of this mail and contact me directly if you
face any issues.

Thanks & Regards,

A . H . SHINDE
